

## Community and Partners Advisory Committee Meeting

On the evening of Thursday the 29<sup>th</sup> of May 2008, the atrium of the Health Research and Innovation Centre (HRIC) was host to the Libin Institute's Community and Partners Advisory Committee (CPAC), as well as other members of the broader community. Dr. Don Welsh and Dr. Andrew Howarth made a presentation called "**Cells, Blood Vessels, Hypertension and Heart Attacks**" that reinforced the importance and benefits of integrating clinical and basic science research. The attendees were also introduced to spaces within HRIC that will soon house some of the basic science laboratories of the Institute

CPAC is Chaired by Dr. Alvin Libin and is currently comprised of local philanthropists and partners from organizations such as the University of Calgary, health regions from across Southern Alberta, the University of Lethbridge, the City of Red Deer, the Heart and Stroke Foundation of Alberta, NWT, and Nunavut, and the Southern Alberta Institute of Technology.
